**2014 Distinguished Alumni Award Nomination Form**

**Nomination Deadline is June 30th, 2014**

This award goes to a graduate and/or undergraduate student who graduated more than 10 years from the current academic year. Nominees have a particular achievement of noteworthy value, a series of such achievements, or a career of noteworthy achievements. Nominees must be graduates of the College of Biological Sciences and have contributed to science, exhibited leadership, and benefitted society in some way.

The primary criteria for this award are: 1) significant contributions to society and science in fields of endeavor, 2) leadership exhibited, and/or 3) benefits to society.

The nominee’s contributions in the following areas are all taken into consideration:

1. Education
2. Career
3. Community Service
4. Professional Achievements
5. UC Davis and/or College of Biological Sciences (CBS) Involvement

Service to the college, including alumni involvement and financial support, is not a criterion for selection, but will be viewed favorably as long as other criteria are met.

Name of Nominee: ________________________________      Graduation Year: ________________

Address: _________________________________________________________________________
